

# Phishing Derby: Review

Clay Posey, Associate Professor (UCF)
Matt Canham, Assistant Professor (UCF)
Mike Constantino, InfoSec Professional (UCF)

Think you can spot a phishing email? Join us for an interactive session where we'll review the results of our October Phishing Derby! You'll see which phishing messages hooked the most participants, hear why phishing is so effective, and learn how to spot phishing attacks.

Phishing Derby Review

Dr. Matthew Canham
